A PRAYER FOR LIFE

Our Lord, we praise you for creating us in such a miraculous way. Your eyes saw us even before we were formed. In Your book, you had written all our days, however still only imaginary as we had not lived even one of them. Thank You for our life itself because it is our greatest gift. Thank you for our parents who had chosen our life and we are also asking You for all other people to make this choice despite difficulties and pressure which do not make their decision easy. Thank You, Lord, for the doctors and all the people who save lives of those who are not able to save their life themselves.

Give them courage to fight for the smallest ones even though the world tells them more and more often to do otherwise. Let us all realise the truth that every human life has an equal value and it lasts from the very moment of conception until natural death. Give us eyes that will see those who need help; give us ears that will hear their calling; give us hands that will help them to carry their burden and give us mouth that will be filled with words of compassion and comfort. Our Lord let us be ready to do everything for those who are also here, although they are not as visible as we are. Amen.

THE CANDLES
FOR THE UNBORN
CHILDREN

THE 2ND OF NOVEMBER IS THE DAY WHEN WE REMEMBER ALL THE CHILDREN WHO HAD BEEN CONCEIVED BUT WERE NOT ALLOWED TO BE BORN.

We invite people to light candles at cemeteries, memorial monuments for aborted children or in the windows of their homes.

By purchasing the candle, you can support the projects and activities of The Forum for Life:

- **specific solutions of difficult situations** in lives of pregnant mothers, girls, families, and individuals - (Let's Save Lives, Advisory service Alexis, The Centre of Specific Aid FEMINA)
- **support of family centres** where the people in need can find help - (The Net of Help)
- **information campaigns** which bring to the society's attention topics of conceived life's protection (the 25th of March - The International Day of the Unborn Child, The Candle for the Unborn Children)
- **publishing activities and educational events** which is focused on discussions at high schools (Pressure cooker, pro-life publications)
- **support of the projects of The Forum of Life's member organisations** in fight for the protection of life. More detailed information: sviecka.forumzivota.sk
